In Memoriam

In memory of Adolphus R. Cyrus who passed away 12 years ago - March 22, 1963.

We do not need a special day to bring him to our minds,
He will always be remembered by the ones he left behind.

He was a kind and gentle person,
One of the very best and when his work was finished here,
God called him home to rest.

Home is not home for he is not here,
Angels have taken him out of sight,
Dark is his room,
Empty is his chair.

He is gone to a land so precious and fair.

Sadly missed by Margaret, Children & Grandchildren
1-20-1t

IN Loving Memory of our Mother and Grandmother, Mrs. Katie Allen who passed away March 22, 1974.
The only thing that is left,
Is just a cluster of sweet precious memories
They are sprayed with a million tears,
Wishing God could have spared you,
A few more years.

Since you went away
Your love lingers still
There is a vacant place in our hearts
Which never can be filled.

We loved you so dearly, Ma-Allen,
But God loved you best,
So he took you out of this world of trouble
To your eternal rest.

Sadly missed by,
Children and Grandchildren

Notice To The Public

NOTICE is hereby given to the public that the State Corporation Commission is investigating a proposal to increase the local coin rate for paystation telephone service and a proposal to establish a schedule of charges for calls to Directory Assistance Service. The proposals are to increase the local coin rate for paystations from 10c to 20c and to charge 20c for calls to Directory Assistance Service in excess of three calls a month, except for calls from coin telephones, hospitals, hotels, motels, and from handicapped customers who are unable to use a telephone company directory. The proposed charges were first filed by The Chesapeake and Potomac Telephone Co. of Virginia, however, because of the interest in the proposals indicated by other telephone companies, and because of the statewide nature of these services, the Commission has expanded its investigation of such proposed charges to include all telephone companies operating in the State.

A public hearing on the proposed rate changes has been scheduled for 10:00 a.m., April 10, 1975, in the Commission's Courtroom, Ninth Floor, Main Building, Richmond, Virginia. Each telephone company has been directed to file with the Commission's Division of Public Utilities, on or before April 1, 1975, a written statement regarding the proposed rate changes including information regarding, among other things, the need for such changes, the cost of making the changes, and the additional annual revenue from such changes. The Division of Public Utilities will summarize and tabulate the information received from the companies and present a report at the time of hearing on April 10, 1975. The Commission will determine, after review of the Company's reports, what further investigation, if any, is needed, and schedule any additional proceedings and hearing dates that may be required.

Any person who expects to submit evidence, cross examine witnesses, and participate in the hearing as a protestant as provided in Rule 4-6 of the Commission's Rules of Practice and Procedure shall file a Notice of Protest as provided by Rule 5:16 (e). Any interested person who desires to attend the hearing as an interveyor, or general public witness (not as a protestant) need only appear in the Commission's Courtroom at 9:45 a.m. on April 10, 1975, complete a notice-of-appearance form to be provided by the Commission's Bailiff, and they will be given an opportunity to speak.

All written communications regarding this investigation shall be addressed to William C. Young, Clerk, State Corporation Commission, P. O. Box 1197, Richmond, Va. 23209
